

RECODIFICATION OF TITLE 63 STATE AFFAIRS IN GENERAL

**Government Operations Interim Committee
October 17, 2007**

- **Project approved by Legislative Management Committee**
- **Under the direction of the Government Operations Interim Committee**
- **Renumbers Title 63 to new areas of the Code**
- **Involves 11 percent of the sections in the Utah Code**

A Massive Effort -- Required Innovation

How was Title 63 pulled together?

Ingredients:

**List A =
existing
sections that
need to
moved**

**List B =
sections that
cross reference
any section in
List A**

**List C =
new section
numbers for
each section
in List A**

Mix thoroughly:

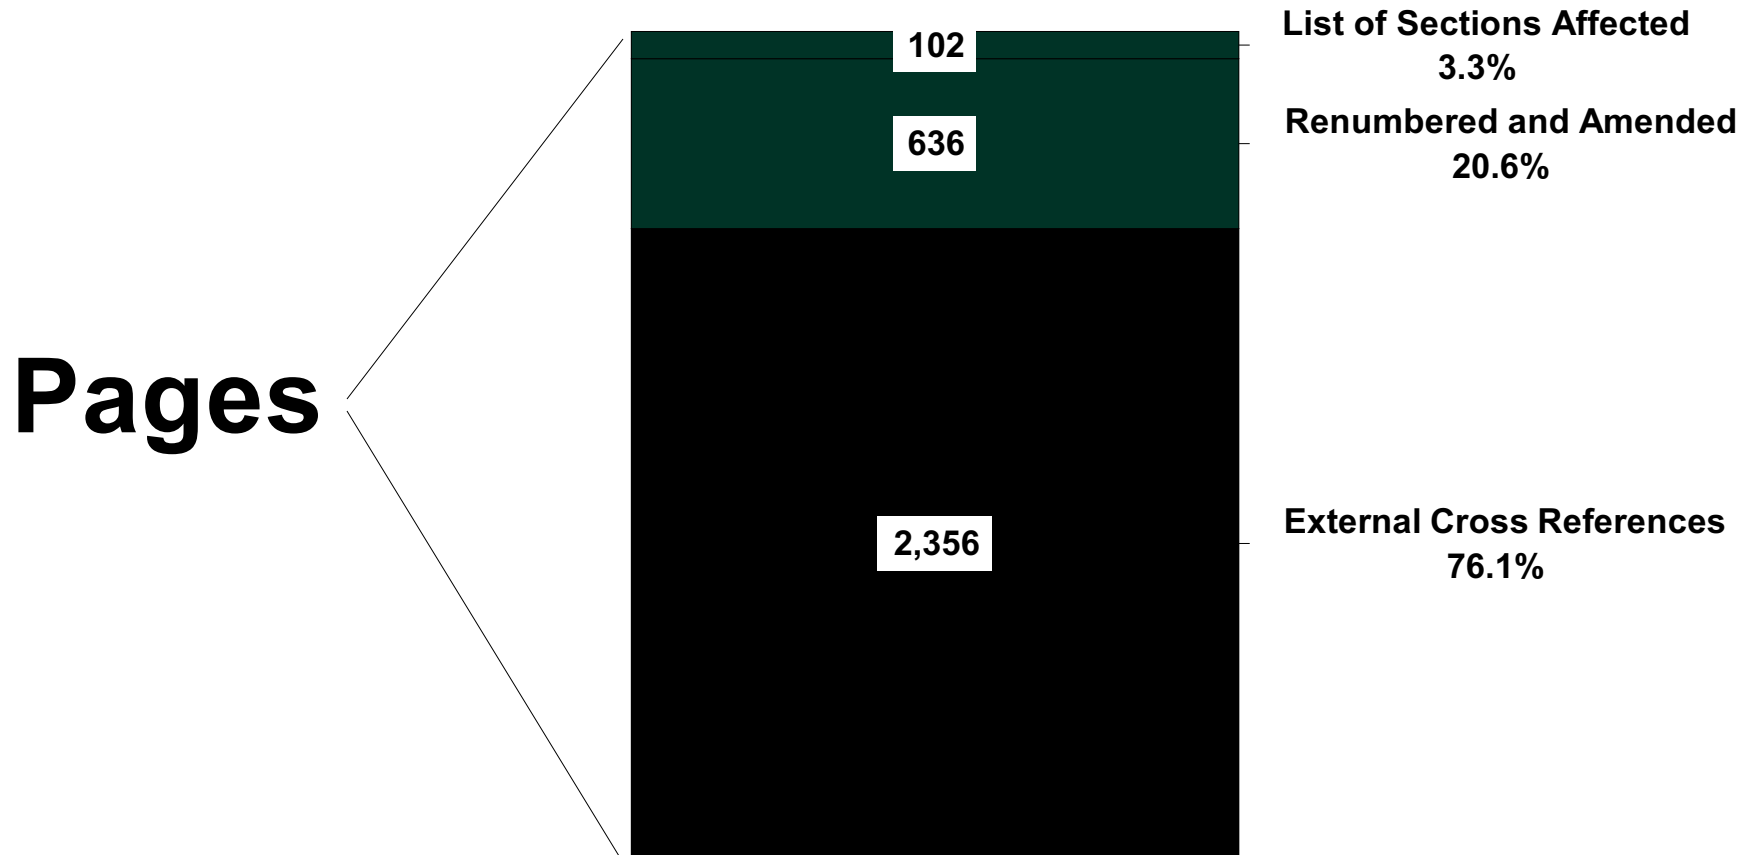

**1. Combine
List A and
List B in a
bill
document**

**2. Write and run a
program to
automatically bracket
existing section
numbers, then replace
with List C numbers in
the bill document**

**3. Repeat step
#2 for title
and chapter
references**

How many pages are in the Title 63, recodification bill?

Total Pages = 3,094

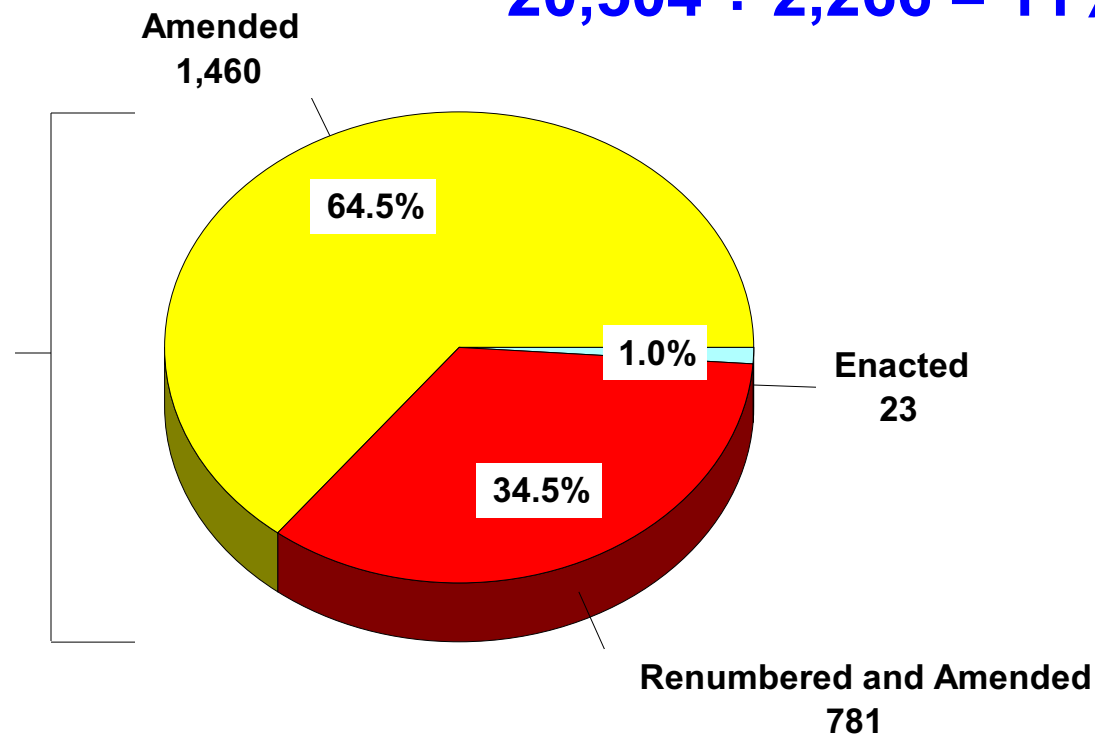

How many Utah Code sections are in the Title 63, recodification bill?

Total Sections Affected = 2,266

**Sections in the Utah Code =
 $20,504 \div 2,266 = 11\%$**

Sections

**Two Sections are
also repealed**
